

Registration with GreenAir Ltd

Under the Forest (Permanent Forest Sink) Regulations 2007 and the proposed Climate Change (Emissions Trading and Renewable Preference) Bill

1. Contact details:

Name: _____

Company (if relevant): _____

Email: _____

Phone (landline): _____ (cell): _____

Mailing address: _____

2. Existing and anticipated new forest projects:

	Pinus radiata (ha)	Douglas fir (ha)	Indigenous (ha)	Other Species (ha).	Average age	Total Area (ha)
Pre 1990 Forest						
Post 1989 Forest						
New forest planned						

Physical location of the forest: _____

Please provide details of the landowner/s: _____

If different, please provide details of the forest owner: _____

3. Confirmation of Registration:

I confirm that I have provided GreenAir Ltd with the above information for an initial evaluation of my potential forestry carbon credit opportunity that will arise under the Forest (Permanent Forest Sink) Regulations 2007 and the proposed Climate Change (Emissions Trading and Renewable Preference) Bill.

I also give permission for GreenAir Ltd to contact me at a future date in regard to the formal process to quantify, register, and broker the emission reduction units from the above mentioned project.

I would like to receive any relevant updates on the New Zealand forestry carbon market:

YES NO
